□

목차

- [1 학력](#)
- [2 경력](#)
- [3 연구관심분야](#)
- [4 수상](#)
- [5 각주](#)

학력

- PhD, 2013, Industrial and Systems Engineering (Major: Operations Research, Minor: Statistics), Georgia Institute of Technology
- MS, 2010, Industrial and Systems Engineering (Operations Research), Georgia Institute of Technology
- BS, 2007, Mechanical Engineering, KAIST.

경력

- Assistant Professor, Department of Industrial Engineering, Hanyang University, 2014 - present.
- Research Assistant Professor, Department of Mathematical and Statistical Sciences, University of Colorado Denver, 2013 - 2014.

연구관심분야

Stochastic Simulation Modeling and Output Analysis, Simulation-based Optimization, Applied Operations Research, Environmental Management

수상

- 2019년 3월 SK하이닉스 '산학연구과제 우수발명 포상식'서 우수상 [\[1\]](#)
- CHADONGWAN Young Researcher Award, KORMS (The Korean Operations Research and Management Science Society), 2018.
- Best Teacher Award, Hanyang University, 2018.
- Best Reviewer Award, Omega (The International Journal of Management Science), 2015.
