□

목차

- [1 학력](#)
- [2 동정](#)
- [3 경력](#)
- [4 수상](#)

학력

- Ph.D. : School of Chemical and Biological Engineering, Seoul National University (2011)
- B.S. : School of Chemical and Biological Engineering, Seoul National University (2005)

동정

- 2021 성동소방서 위험물 사고조사위원회 민간위원

경력

- 2020 - present, Associate Professor, Department of Chemical Engineering, Hanyang University
- 2016 - 2020, Associate Professor, Department of Energy Science and Technology, Myongji University
- 2018 - 2019, Visiting Professor, Department of Applied Chemistry, Waseda University (Collaborator: Prof. Yasushi Sekine)
- 2013 - 2016, Assistant Professor, Department of Energy Science and Technology, Myongji University
- 2012 - 2016, Assistant Professor, Department of Environmental Engineering and Energy, Myongji University
- 2011 - 2012, Research Staff Member, Samsung Advanced Institute of Technology (SAIT)

수상

- Best Research Award, Myongji University, August 2019
- Best Research Award, Myongji University, August 2016
- Catalyst Research Award, Division of Catalyst, Korean Institute of Chemical Engineer, January 2011
- Sinyang Academic Award, Sinyang Culture Foundation and College of Engineering, Seoul National University, May 2010
- Best Presentation Award, Korean Institute of Chemical Engineer, October 2008
