

윤소원

윤소원은 서울 [자연과학대학 화학과](#) 교수이자 [유기합성연구실](#)장을 겸하고 있다.

□

목차

- [1 학력](#)
- [2 경력](#)
- [3 수상](#)
- [4 학회활동](#)
- [5 연구관심분야](#)

학력

1992.3 - 1996.2, Yonsei University, B.S., Chemistry 1996.3 - 1998.2, Korea Advanced Institute of Science and Technology (KAIST), M.S., Organic Chemistry (Prof. Yong Hae Kim) 1998.3 - 2001.8, Korea Advanced Institute of Science and Technology (KAIST), Ph.D., Organic Chemistry (Prof. Yong Hae Kim)

경력

- 1998.3 - 1998.8 Teaching Assistant, Department of Chemistry, KAIST
- 1998.3 - 2001.8 Research Assistant, Department of Chemistry, KAIST
- 2001.9 - 2001.10 Research Scientist, Department of Chemistry, KAIST
- 2001.10 - 2003.8 Postdoctoral Fellow, Department of Chemistry, Columbia University (Prof. Dalibor Sames)
- 2003.9 - 2005.8 Full time instructor, Department of Chemistry, Pukyong National University
- 2005.9 - 2009.2 Assistant Professor, Department of Chemistry, Pukyong National University
- 2007.12 - 2009.11 Chairman, Department of Chemistry, Pukyong National University
- 2009.3 - 2010.2 Associate Professor, Department of Chemistry, Pukyong National University
- 2010.3 - 2015.2 Associate Professor, Department of Chemistry, Hanyang University
- 2010 - 2011 Member of Public Relations Committee, College of Natural Sciences, Hanyang University
- 2015.3 - present Professor, Department of Chemistry, Hanyang University
- 2018.9 - 2020.8 Committee Member of Human Rights Center, Hanyang University
- 2019.9 - 2021.8 Head of Experimentation, Department of Chemistry, Hanyang University
- 2020.3 - 2022.2 Vice Director, Industry-University Cooperation Foundation / Vice Director, Academic Research Affairs / Director, Seoul Cooperative Center for Research Facilities, Hanyang University

수상

- Excellent Dissertation Award, Department of Chemistry, KAIST (2001)
- Tetrahedron Most Cited Paper 2003-2006 Award
- Excellent Paper Awards in College of Natural Sciences, Pukyong National University (2008)
- Asian Core Program Lectureship Award (2008)
- Thieme Journal Award (2009)
- Award for the Researcher of the Month, Hanyang University (2015)
- The 6th Korean Society of Organic Synthesis Young Scientist Award (2017)
- The 16th Shim Sang Chul Award, Organic Chemistry Division, Korean Chemical Society (2019)

학회활동

- Member of Korean Chemical Society (1996-present)
- Member of Korean Society of Organic Synthesis (2010-present)
- Member of Chem World Standing Committee of Korean Chemical Society (2009)
- Member of Publication Committee of Korean Chemical Society (2010-2011)
- Member of Preparatory Committee of International Year of Chemistry (IYC) (2010-2011)
- Director of Academic Affairs, Korean Chemical Society (2014)
- Member of Women Affairs Committee of Korean Chemical Society (2019-2020)

연구관심분야

- Development of New Synthetic Methodology
- Metal Catalysis
- Organocatalysis
- Heterocyclic Synthesis
